# Level 3 Certificate in Assessing Vocational Achievement (CAVA)

Distance Learning

## Overview

The Level 3 Certificate in Assessing Vocational Achievement (CAVA) course is a qualification in the Further Education (FE) sector, designed for those who need to be qualified in the principles and practices of assessment, in both the workplace and training environment.

## Course Requirements

In order to enter the qualification programme, the trainee assessor must be able to evidence sufficient occupational competence in the subject matter of their intendedassessor role. In this context, occupational competence means having an up-to-date working knowledge and experience of the principles, practices, and standards of their vocational sector.
Maths and English at Level 2 are desirable.

## Delivery

Self-directed accessed via our online learning platform.

## Duration

9 months from date of enrolment.

## Assessment

The course consists of a written assignment on the principles and practices of assessment. There are two more units where the trainee assessor will assess two learners in the workplace environment (Unit 2) and then two learners in a training environment (Unit 3). Assessments of learners can be supervised by a suitably qualified supervisor/mentor within your organisation.

## Accreditation

Learners will achieve a regulated qualification awarded through Open Awards.

## Booking Information

Courses must be paid for up front before enrolment can commence.

A purchase order will be required from organisations booking places for staff. Learners should complete their registration within 2 weeks of the course start date.

Places can be pre-booked in advance. In these cases, a reference number, valid for 12 months, will be provided.
